**AIKEN STEEPLECHASE ASSOCIATION TO RELOCATE**

The Aiken Steeplechase Association is pleased to announce that in fulfillment of its vision to establish “a true steeplechase venue,” we have narrowed our search and intend to relocate to a new permanent home following our 2021 Spring Meet at Bruce’s Field. We are confident that this move will provide us with a first-class facility, ensuring the future of steeplechasing in Aiken for years to come.

We are working closely with the City of Aiken, Aiken County and the Aiken Horse Park Foundation to bring our vision to reality, and we thank them for their ongoing support.

We will be providing periodic updates as our plans solidify in the coming months.
