**Aiken Steeplechase Association Cancels 2021 Spring Steeplechase**

With an abundance of caution and great concern for our community, the Aiken Steeplechase Association (a 501(c)3 charitable organization) is cancelling the Spring Steeplechase that was to be held on Saturday, March 20, 2021 at Bruce's Field. The Directors of the Aiken Steeplechase Association are very disappointed to have to come to this decision, but feel the safety of our patrons and the community at large is paramount.

We are excited to share with the public the development of our new venue in the coming months and look forward to seeing the new race course filled with our devoted patrons.
